MEMORANDUM FOR: Assistant Director for Scientific Intelligence

SUBJECT : Liaison with British Concerning Electromagnetic Warfare Matters

REFERENCE : Proposed Air Dispatch to Senior Representative, London, this subject.

The Office of Operations concurs in the dispatch of reference communication but suggests modifying paragraph (7) to read as follows:

7. The foregoing does not affect the direct liaison of FBIS and BBC with respect to foreign broadcasting information, even though such liaison may involve the exchange of information on Soviet jamming of radio broadcasts, nor the direct liaison of VOA and BBC with respect to operational broadcasting matters.
